Note:

- This electronically generated Score Card is the official score declared by NTA and does not require any signature.
- Candidate particulars including Category and Person with Disability (PwD) have been indicated as mentioned by the candidate in the online application form.
- The Percentile Score indicates the percentage of candidates who have scored EQUAL TO OR BELOW (same or lower raw scores) than that particular candidate in that session.

The Percentile scores of a Candidate in the Subject have been calculated as follows:

$$100 \times \frac{\text{Number of candidates appeared in the 'Session' with raw score EQUAL TO OR LESS than the candidate}}{\text{Total number of the candidates appeared in the 'Session'}}$$

Percentile score is not the same as percentage of marks obtained.

- Normalised scores (NTA Score) across multi session papers are based on the relative performance of all those who appeared for the examination in one session. The raw marks obtained are transformed into Normalised Score (NTA Score) ranging from 200 to -40 in subjects other than General Test and from 250 to -50 in General Test.

For detailed procedure on Normalised Score (NTA Score), please see Appendix-VI of the Information Bulletin available at NTA website(s) www.cuet.samarth.ac.in / www.nta.ac.in

- The National Testing Agency has taken due care while uploading the Score Card. However, in case of any inadvertent error, the NTA reserves the right to rectify the same at a later stage.
